

# BE THE ALTA MATE SKIER

WITH ACES SKI CAMP

Your best skiing day has yet to come! Expand your skiing playground on the legendary terrain at Alta by participating in the Aces Ski Camp. Whether you're looking to perfect your turn, explore some new terrain, or simply have some fun with other Alta enthusiasts, Aces Ski Camp is for you.

## ABOUT OUR CAMP

Each ski day will start with a preview of the technical focus as well as the opportunity to demo high performance skis from the extensive Peruvian Ski Shop collection.

Both morning and afternoon skiing sessions will be based on the popular workshop format used by the Alf Engen Ski School with a focus on skiing tactics for the combination of conditions and terrain unique to Alta. By popular demand, this

camp will include evening sessions on diverse topics such as skiing fitness and tactics, as well as avalanche dog demos by the Alta Ski Patrol.

Best of all... get ready to brag about skiing places at Alta that others have only dreamed about.
